

SCI Group Inc.

SCI Group, a member of the Canada Post Group of Companies, is a leading provider of high value-add supply chain solutions to the Canadian marketplace. Through its operating entities SCI Logistics, Progistix, and First Team Transport, the SCI Group offers business-to-consumer, business-to-business and field service logistics solutions to organizations in the health care, retail, utilities, high-tech and manufacturing sectors.

HealthPRO

HealthPRO is 3SO's healthcare group purchasing organization. It is invested in Canada's healthcare system by advancing the purchasing interests of hospitals, provincial and shared service organizations like 3SO from coast to coast. With more than 256 members across Canada, HealthPRO brings together together the most significant purchasing power ever established within Canada's healthcare system. Together, these collective efforts save our member hospitals significant dollars that can be directed where it is needed most - to frontline patient care.

GHX

Suppliers: Strategic Partners

Global Healthcare Exchange , known as GHX is a healthcare technology and services company that helps reduce the cost of doing business by using an electronic trading exchange with both our vendors and our 3PL warehouse provider, SCI. Using GHX has reduced organizational costs, increased staff efficiency, and eliminated purchase order inaccuracies. GHX provides one easily accessible connection point for 3SO to electronically trade documents. The efficiency and reliability of this electronic solution is the foundation for 3SO to have secure and guaranteed delivery for our member hospitals.
