

Shared Support Services Southeastern Ontario (3SO), www.3so.ca, a not-for-profit organization, is seeking one volunteer independent board member to participate on a nine member board that governs a regional healthcare shared service primarily focused on supply chain management, for the following hospitals:

- Brockville General Hospital
- Kingston Health Sciences Centre
- Lennox & Addington County General Hospital
- Perth and Smiths Falls District Hospital
- Providence Care
- Quinte Health Care Corporation

Independent member – Board of Directors (1)

We are currently recruiting one volunteer independent board member to join this dynamic organization.

Applicants must be able to demonstrate skills or experience in a least one of the following area:

- Supply chain/procurement
- Financial services
- Information Management
- Human resources and labour management
- Leadership

To ensure independence, candidates must have no formal affiliation or membership with any of the participating Southeastern Ontario hospitals, hospital boards as well as their auxiliary or foundation boards.

If you recognize the importance of the mission and are energized by the responsibility associated with being a Board Member, here is a unique opportunity to take a leadership role. If you wish to obtain an application form or get more information please contact:
